

Friday Flyer

Week Commencing 20th November 2017

From Matt Vella Head teacher

Dear Parent

We are ending the week on a high; it is a joy to see our school filled with spots! The children are really embracing the spirit of the occasion and I hope that they all will take the opportunity to consider what a wonderful event Children In Need is.

Again, our focus remains on pupil behaviour. Good behaviour is not only linked directly to progress but is our expectation in our community. Please work with us to ensure that your child understands that they should never retaliate to confrontation but should always seek a teacher who will support them in finding a peaceful resolution. This is key in ensuring we equip our pupils for life.

We wish our U9 football team good luck on Monday; I have no doubt that they will do us proud, displaying excellent attitude and effort. I know you can do it!

I would like to take this opportunity to thank Lisa Brown for her efforts at St. Michael's; she has helped many children to achieve their potential. We wish her every success in her next role.

November is flying by and soon December will be upon us! It's hard to know where the term has gone. As ever, the staff are working tremendously hard and I know have valued the support that some of you have been able to offer. We are a school that is really moving forward and if you would like to get involved in school life, please do get in touch. We really want to create a positive community here at St. Michael's.

Have a great week!

Matt Vella
Headteacher
St Michael's Academy

SchoolComms and Payments

If you are not yet signed up to school Comms and are still paying with cash / cheque please ensure you clearly state on the envelope – **CHILD'S FULL NAME, CLASS, WHAT THE PAYMENT IS FOR**. If you do not do this, the money will not be allocated to your child and you will be chased for payment.

Children in Need Photos

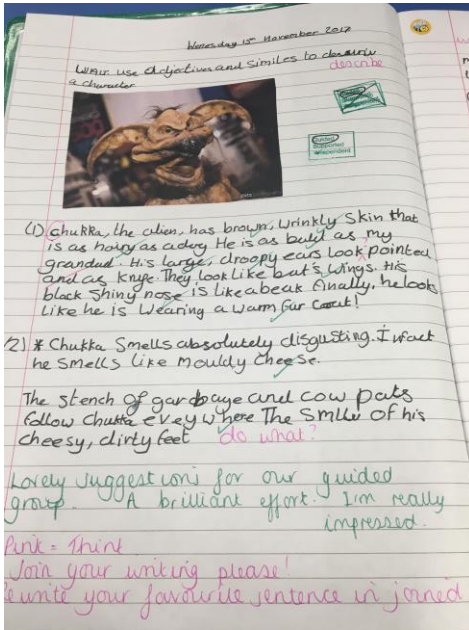

Thank you all for dressing up to raise money for Children in Need. Together we have raise

£246

Well done St Michaels Academy

Week in Pictures

Rowling Class have been busy writing descriptions of aliens as part of our unit on Science Fiction

Below are photos of Walliams Class learning about Jack and the Beanstalk by retelling the story in groups.

Spare a thought for the Homeless

This Christmas we would like to bring a little joy to those living Homeless on the streets in Yeovil. We are hoping that with enough donations we will be able to have a hamper per class. These will be delivered by the children to the Homeless Shelter the week of the 11th December. In order to do this Miss Stringer need your help.

We are looking for anything to go in these hampers that you could donate. Suggested items are :-

* warm clothes * hats, gloves or scarfs * blankets * Soap * biscuits/chocolate

MacMillan Cancer

Today the winners from our Bake Off back in September were pleased to present MacMillan Cancer Support with a cheque for £814 from our coffee morning and cake sale.

Well done everyone!

Girls Shorts

Please can we ask that girls wear shorts under their skirts if they are performing handstands and cartwheels at playtime's as it's not appropriate to be showing their underwear especially being in close proximity to the park.

Uniform

Please remember to name your child/rens clothes. We have received many requests to look for clothes which have not been named and this is extremely tricky to do if they are not named.

Weekly Attendance

Congratulations to Walliams class who achieved attendance of 99%. The winning class will receive 5 house points. All children with 100% attendance at the end of the year will receive an award. The overall school attendance for this week is 94%

10th November until 16th November 2017
